Your entry into the craft with HBQ+

Maßnahmen-Nr.: 214/107/24

DAS HANDEWERK
DIE WIRTSCHAFTSMACHT. VON NEBENAN.

Get started in skilled crafts with our „Handwerklichen Basisqualifikation Plus (HBQ+)“

Overview

Target group

„Die Handwerkliche Basisqualifikation Plus“ is for people who are looking for work and have little experience in crafts. It enables entry into the professions of **metal construction, structural and civil engineering, painting or carpentry** through simple auxiliary activities.

The HBQ+ can serve as a basis for further qualifications. .

What is HBQ+?

Mastering the German language is of course important, but it should not be a barrier to your professional development. The „Plus“ stands for language support, which is available to you for the entire period (7 weeks) so that you can concentrate fully on the crafts.
